

Environmental Management Policy

CuanTec is committed to conducting its business in a manner that protects the environment and prevents pollution. We achieve this by:

1. **Continuous improvement** of our environmental performance through the implementation and maintenance of an Environmental Management System (EMS) that meets the requirements of ISO 14001.
2. **Complying with all applicable environmental legislation and regulations.**
3. **Minimizing the environmental impact** of our operations by:
 - Reducing our consumption of energy and resources.
 - Implementing pollution prevention measures.
 - Practicing waste minimization and promoting recycling and reuse.
4. **Considering the environmental impact** throughout the lifecycle of our products and services, from design and development to production, use, and disposal.
5. **Raising awareness** of environmental issues among our employees and encouraging their participation in environmental improvement initiatives.
6. **Working collaboratively with suppliers** to minimize their environmental impact.
 - We are committed to **continuous improvement** in our environmental performance and will set measurable objectives and targets to achieve this.

This policy will be reviewed periodically to ensure its continuing suitability and effectiveness.
