

Health & Safety Statement

At CuanTec, we are committed to ensuring the health, safety, and well-being of our employees, contractors, visitors, and the community. We are committed to workplace safety and have a management system that meets ISO 45001 standards. This helps us to implement procedures to identify, control and reduce workplace hazards.

Our Objectives:

1. Leadership and Commitment

- Our leadership actively promotes a safety-first culture.
- We allocate necessary resources to maintain safe working conditions.

2. Risk Assessment and Hazard Control:

- We identify workplace hazards and assess risks.
- Effective controls are implemented to minimize risks.

3. Employee Involvement:

- Employees participate in safety programs and decision-making.
- Their feedback is valued and acted upon.

4. Competence and Training:

- We ensure employees have the necessary skills and knowledge.

5. Emergency Preparedness:

- Emergency plans are in place and communicated.
- Drills and exercises prepare us for unforeseen events.

6. Continuous Improvement:

- We monitor safety performance and learn from incidents.
- Regular reviews lead to ongoing improvement.

7. Legal Compliance:

- Comply with the Health and Safety at Work Act 1974 and all subordinate regulations.
